MMC presents below certain additional financial measures that are “non-GAAP measures”, within the meaning of Regulation G under the Securities Exchange Act of 1934. These measures are: *adjusted operating income*; *adjusted operating margin*; *and adjusted income, net of tax.*

MMC presents these non-GAAP measures to provide investors with additional information to analyze the company’s performance from period to period. Management also uses these measures to assess performance for incentive compensation purposes and to allocate resources in managing MMC’s businesses. However, investors should not consider these non-GAAP measures
